Max. Towable Mass (unbraked) (kg)	750	750	750	750

*In 4th gear. ^oFord test figures. ^{oo}The declared Fuel/Energy Consumptions, CO₂ emissions and electric are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>. DPF = diesel particulate filter. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels.

^oRepresents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc. fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 40 kg on all models.

FORD ECOSPORT Engines

Most powerful

**1.0 Ford EcoBoost (140 PS)
CO₂ emissions 119 g/km**

Lowest emissions

**1.5 TDCi (100 PS)
CO₂ emissions 107 g/km**

FORD ECOSPORT Dimensions

Height: 1,653 mm
Height (with roof rails): 1,713 mm

Width: 1,765 mm
Width (with mirrors): 2,057 mm

Power-foldable mirrors

Neatly folding door mirror housings for when parking in narrow spaces. Electrically-operated for added convenience. (Standard on Titanium and ST-Line)

Length: 4,096 mm

Tumble-fold split rear seats

Fold-down the 60:40 rear seats and you get 1,238 litres of space in the back. The seats can also tumble forward to make room for taller objects.
